

Dear Prospective Volunteer,

Thank you for your interest in becoming a volunteer group leader at OUR HOUSE Grief Support Center. OUR HOUSE is a 501(c)3 nonprofit organization providing our community with grief support services, education, resources, and hope. We provide support groups for children and adults who have experienced the death of someone close.

Our volunteers are extraordinary people who make a big difference in the lives of grieving children and adults. The following will provide you with more information about our organization and what we are looking for in a volunteer.

Our volunteers co-lead groups in the evenings in our West Los Angeles and Woodland Hills locations or during the day in various school sites in the greater Los Angeles area. We ask for a **minimum one year commitment** to co-lead a group every other week in-house or once per week for short-term groups held in the schools/community locations.

In addition, **all volunteers attend supervision once every other week.** The average time commitment, including group meeting time and supervision, is about 10-15 hours per month. You must complete our 24-hour training program (27 hours for school group leaders) in order to become a group leader.

Upcoming training dates 2012:

Saturdays: 9:00-5:30 p.m. January 7, 21, and 28

Wednesdays: 9:00a.m.-5:30p.m. April 11, 18, 25

Sincerely,
