

Please tell us how Camp Erin helped you:

Camp Erin helped me loosen up and express my feelings to people who genuinely understand. Unlike at home, I cried ~~so~~ every day and I was nice to let it all out, and my new camp friends wholly supported me. I learned that I can be okay, and I have people who can help. ~~But mostly~~ Camp Erin also gave me space and time away from my family. It let me ~~deal~~ deal w/ it w/out them.
