

## **AVAILABLE CLINICAL POSITION @OUR HOUSE Grief Support Center**

Join a dynamic and mission-focused team of professionals committed to serving the needs of grievers with LA's leading provider of grief support services.

### **Clinical Director of Child and Adolescent Grief Program**

Key member of the OUR HOUSE Grief Support Center's leadership team, with diverse job responsibilities that include: manage, supervise, and empower the children's clinical coordinator team, guide creative strategic planning for agency expansion, oversee improvements in policies and procedures for clinical services, conduct groups and individual intake sessions, train & supervise volunteers, present educational workshops for medical & mental health professionals, and lead data management.

Qualifications: clinical licensure: LCSW, LMFT, licensed PsyD, minimum 5-7 years management experience, strong clinical, supervisory, leadership, organizational, and strong communication skills.

Based in our West Los Angeles Center with assignments in our Woodland Hills Center and public schools throughout Los Angeles. Must desire to work in bereavement and/or trauma-focused programs with ethnically diverse youth in high need areas; experience as a field instructor is a plus.

Position is full-time and includes full benefits and professional development opportunities.

Qualified professionals can send letters of interest, resumes, and salary requirements to the attention of Michele Prince:
