“Thank you SO MUCH for the incredible day at Camp Erin. It was absolutely amazing and you, your team and all the volunteers did such an incredible job!!! From the greetings walking in, the pony, all in between and til the end!!!! I was beyond impressed with the event and felt so deeply what a gift the day was. It was very moving to me to see so many come together to provide such a vital and much needed day and to do it so beautifully and with such care.”

“I really loved the music therapy because of how fun and destressing it was. I really liked the teacher Ms. Arvis and felt that she helped me understand my grief in different ways.”

“The plate smashing was most helpful to me because I got to jot down a lot more emotions than expected and smashing it was very relieving since I got to let everything go.”

“My favorite part of camp was the support from the camper buddies, the counselors, and the kids.”
